

Required Summer reading 2021 - Grade 6
Lectures d'été obligatoires 2021 - 6ème

Dear parents of rising 6th graders,

Middle School is a time for students to adapt to a new chapter in their educational career. This is also a time for students to improve their reading, writing, listening and speaking skills, as well as to consolidate their knowledge through critical thinking. It is our aim to foster an enjoyment of reading from a variety of texts and literature. Throughout the year, students will study works by authors of different cultures and times. This reading will also serve as a model for the student's own writing.

As always, we would like for our future 6th grade Middle School students to pre-read a novel in English during the summer. This work will help to prepare our students for their first few months at school. We will be reading and working on this novel together, during the first trimester.

For the ESL (English as a Second Language) students, the best recommendation is for them to perhaps read the book in French, as well as purchasing it in English, to help them follow along with us in class.

Chers parents d'élèves entrant en 6ème,

De la même manière qu'il est demandé à vos enfants de lire un livre spécifique en anglais durant l'été, nous souhaitons organiser la première séquence de cours (septembre) à partir d'un livre que nous vous demandons de bien vouloir vous procurer. Il faudra donc l'avoir lu et l'avoir bien en tête pour la rentrée.
